Tips and Tricks

- bring jeans for work pants, they work best
- you don't need a bandana, a hat will suffice
- bring 5 shirts to change into, 3 isn't enough
- make sure to start thinking of a god moment during the beginning of the week

- shower shoes that don't slip on wet surfaces
- have different flip flops for in the shower and for wearing around the school
- wake up earlier than when the staff wakes you up because you won't have much time to get ready for the day if you don't
- always have your phone, after working, to check the time
- bring a belt, most pants will be too big and you will need a belt to keep them up
- always have a little bit of money on you at all times, you never know when you will need it
- write lots of people warm and fuzzies
- bring a bag to the showers to keep all your stuff in
- take a dirty clothes bag and put a dryer sheet in it, and your bag, to keep them smelling fresh
