Voter ID

Voters will be asked to show photo ID when voting in North Carolina. Most voters will simply show their driver's license, but there are many other acceptable photo IDs. **All voters will be allowed to vote with or without a photo ID.** If a voter cannot show an acceptable photo ID when voting in person, they can still vote by filling out an ID Exception Form. If absentee-by-mail voters are unable to include a copy of their photo ID with their ballot envelope, they can also fill out an ID Exception Form to return with their ballot. [Learn more here.](#)
